SUPPORTING DOCUMENTS & REQUIREMENTS

Personal Guarantee or business financials: any time a PG is signed, an SSN is required. If a PG is not obtained, the most recent year of third-party reviewed or audited financial statements is required (balance sheet, income statement, statement of cash flows and notes). Financials not prepared by a third party must be accompanied by the same year's federal income tax return.

Retail / face-to-face

If an on-site inspection is not completed, one of the following is required (DBA and/or corporation name must match the document): copy of principal's license, certificate of incorporation, certified articles of incorporation, or business / operating agreement.

Card-not-present: 3 months of current processing statements.

Internet companies

3 months of current processing statements. The website must display the company name, a customer service number or email, refund/return policy, delivery methods and timing, privacy policy, prices for products/services, a secure checkout page, and the domain must be registered to the company.

Non-profit: proof of tax-exempt status (501(c)(3)).

CERTIFICATION & SIGNATURE

I certify that the information provided in this application is true, complete and accurate, and I authorize 321 Swipe and its processing partners to verify it, including with the bank named above and, where permitted by law, through credit and identity checks on the business and its listed owners. I understand this application is a request for services and does not itself create a merchant agreement.
